

# Community Development Economic Development Departments

**Open House  
515 Columbia  
December 9, 2010**

**Dedication 4pm • Reception 4pm-7pm**

*Please join us as we open the doors to Lafayette's most recent addition of public office space. Tour one of downtown's historic architectural gems where two city department staffs will serve Lafayette's community and economic development needs well into the next century. See the city's first example of a sustainable green restoration project and registered LEED certified building.*
